Board Updates and discussion

- Discussed how to make newsletters and communications exciting and fun to open and read. We want to get STEM community excited about our communications. Use BombBomb perhaps ?? a video auto play newsletter.
- How can we get teachers more involved and interested. Is it ok to ask teachers to send out flyers for events?
- We need to give Aimee Barnas a huge shout out for her outstanding donation of \$1700.00. Aimee “Hustled Up the Hancock” and requested donations be given to STEM for her efforts.
 - Kids also need to write Thank You notes to her generous benefactors.
- Sue has still not found a time to meet to sign over the bank account to Lycretia. Pauline with as Dr. McManus to apply pressure to Sue.
- Auction: Are Robo Calls possible? You don't have to be a STEM parent to attend - how can we get more attendees?
- Add to Parents' Night Out flyer that the money raised will go to new SMARTboards.
- Next Friday, April 20th we will have a Mom's Night Out to see I Feel Pretty
