Parents/Guardians are responsible for signing any required waivers. In order for a student to be eligible to participate in the rewarded event, he or she must have raised at least \$10 of the homeroom's donated funds for this fundraiser.

The rewarded events will all take place during a designated "open-to-the-public" session. Each homeroom will be given the opportunity to rank the available sessions after the results are in. The rewarded events will take place on a Friday evening, Saturday or Sunday afternoon/evening. The event dates will be announced after the results are in and it is known which homeroom earned which rewarded event.

Parents/Guardians are responsible for helping their child(ren) with getting their rented skates checked out and put on at the beginning of the event, and taken off and returned at the end of the event should their child(ren)'s homeroom class choose an event that involves skates.

If a student cannot attend the rewarded event at the time designated for that student's homeroom, he/she will be issued a voucher to use at that venue during an "open-to-the-public" session.

Only the entrance/rental fees for the participating students of STEM Magnet Academy, in the designated homeroom, are covered by this award. Parents/Guardians are able pay the regular entrance plus other associated fees (cost of skate rental, cost of socks, etc.) of any other child(ren) who wish to attend the rewarded event as venue space allows.
