 - Ask specific teachers to fill in questionnaire for December
 - Anyone willing to help write content for December newsletter?
- **Virtual Game Friday Nights** (dates: one per month?)
 - FOS will host or arrange virtual games.
 - Ideas?

- **“Where Will the Journey Go?” Book Fair** (December? Publish right before winter break?)
 - Each class writes a book by having one student write a line, then another student reads what was written before and writes the next line. Where will the journey go?
 - FOS will virtually publish books for STEM community to read.

- **Film Festival** (promote before winter break? Collect content for release right before spring break?)
 - The idea is to have kids submit prerecorded content for the STEM community to watch from home.
 - Options for content could be:
 1. Kids can write + make short films.
 2. Kids can submit “talent show” type performance.
 3. FOS can pose a list of questions for kids to respond to, video recorded from home. Those videos would then be compiled by someone (as class projects maybe or, for younger kids, by volunteer adults). Some questions could be:
 - a. What is your favorite thing about e-learning?
 - b. What is your least favorite thing about it?
 - c. What is the favorite thing your teacher has done during e-learning?
 - d. What is something that you learned about yourself during Covid?
 - e. What is something new that you or your family have started doing during Covid?
 - f. What is the first thing you want to do when we can get back to "normal" after Covid?
 - g. What is the hardest part about Covid?
 - h. What is your favorite joke?
 - i. What does "Black Lives Matter" mean to you?
 - j. What have you learned about people because of the "Black Lives Matter" movement?
 - k. What would you like people to learn from it?
 - l. What do you think would decrease the violence in Chicago?
 - m. How would you address gun violence in Chicago?
 - n. What do you think about the riots and looting that happened in Chicago this summer?
 - o. What would you say to people who participated in them?
 - p. Why do you think they happened?
